Map Group : Boston Popout Map before purchasing it in order to gauge whether or not it would be worth my time, and all praised Boston Popout Map:

0 of 0 people found the following review helpful. once in a lifetime By chia-yen choumy best travel city, number 1. study there, grow there, and get smart there. the popout map give me the best support while i was there. 1 of 1 people found the following review helpful. Perfect for first timers and many timers By M. F. Morrison These popout maps are wonderful for the first time visitor or someone who travels often to the city. They are small enough to fit in most pockets or purses refolding is not a problem so there is no awkwardness. They are also attractive, durable easy to read. The Boston map includes a 1 hour walk around Harvard Square, an insert of downtown Beacon Hill, a large map of Greater Boston, a detailed map of Downtown Boston from Fenway Park to the North End, a T map (The T or the MBTA - Massachusetts Bay Transit Authority is what we call the Mass transit system in Boston), a street index info on places of interest such as museums, universities, beaches, parks lakes. Even the routes of the Freedom Trail the Black Heritage Trail are marked! Buy this guide - you will not regret it. 1 of 1 people found the following review helpful. A great travel tool By George H. Paulussen The Popout maps in general are a very easy to use travel tool. I like the size (greetingcard size) and the information it carry's. The Boston map shows you all the things you want to visit on 4 little maps each for a different area or purpose. and on the back they have a subway map. This map is a usefull musthave product for if you are new in Boston. It has everything you need. George[...]

Travelers find these maps irresistible! The pocket-sized PopOut Map features an award-winning design that is unique and ingenious, popping open to reveal five detailed maps plus visitor's information.
