the others that were ...By Pat BealsI bought this book to read about Boston before we go there in June. It's an interesting, well-written travel guide. So glad I bought this instead of the others that were offered.

There's no better way to relive the birth of our nation than by walking along the 2 1/2 mile Boston's Freedom Trail. Readers can put on their walking shoes and use this illustrated guide as a companion as they follow Boston's redbrick trail past the site of the Boston Massacre, the Bunker Hill Monument, and 24 other historic landmarks. Each entry in this souvenir guide includes information about admission fees, wheelchair accessibility, telephone numbers, and websites.

"Anyone who rides a mountain bike, and wants to ride it in Colorado, needs this book. The amount of detail compiled by the author Stephen Hlawaty was a labor of love, and it shows. The maps, trail directions, local lore, plus a solid listing of local telephone numbers for more information, makes this book a must for the traveling cyclist."-- Bike Magazine
"Mountain Bike America Colorado is setting a new standard for guidebooks."--Mountain Bike magazine
"If it's not in here, it's not worth riding."--Outdoor Explorer
