**Boston Globe : Boston's Secret Spaces: 50 Hidden Corners In and Around the Hub** before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston's Secret Spaces: 50 Hidden Corners In and Around the Hub:

0 of 0 people found the following review helpful. Boston has 400 years of history and any of it is more exciting than this book. Get yourself a good guidebook and explore. By Rosemy1girl Boston a city with 400 years of history essential to our country, a city where the hills were torn down to fill marshes and expand the City, a city that had a baseball team before and after and this book wants us to get thrilled about Tom Brady's sweaty clothes!!!! If you think this book is good Boston is too much for you to explore. My library has hundred year old books on Boston and many landmarks are still standing. This is the first book on Boston that won't be finding a place in my library. 0 of 0 people found the following review helpful. Four Stars By Eileen Marshall Fun facts even you grew up and were familiar with Boston! 0 of 2 people found the following review helpful. Interesting but thin By R. C Sheehy A fun and interesting book about the secret spaces of Boston. Not really packed with facts but interesting and fun none the less. A bonus for

all fans of Boston!

Boston's Secret Spaces offers tantalizing peeks into places ordinary mortals rarely see.

From the Inside Flap All of us have our own secret spots in Boston, writes hotelier extraordinaire Robin Brown in his foreword to this one-of-a-kind book about this remarkable city. Some are obvious who can miss the Bunker Hill Monument? but others need to be discovered.
