From Dry Climate Studios : Boston Wall Calendar (Alphabet Cities) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston Wall Calendar (Alphabet Cities):

0 of 0 people found the following review helpful. Cheery and Very BostonBy J. IrvineLovely artwork includes iconic Boston sites or events, Boston Marathon month has sneakers! I want to get next year's also, since my previous favorite calendar artist creator pulled a stupid political move and this, 2017, is the first year I tried this Boston Calendar.

Explore Boston with vibrant images from the book B Is for Boston. Presenting iconic images of beloved elements of Beantown, this 12-month calendar provides large grids for daily planning, along with plenty of room for notes and reminders. Previous and next month calendars are also posted on each page, and it includes U.S. and international holidays. Offering a unique look at a beloved city, this calendar provides a year-round celebration of Boston.
