From Brand: Metropolis Intl : Boston with Map (For Less Compact Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston with Map (For Less Compact Guides):

Each title in the For Less Compact Guide series gives travelers information on the must-see sites at popular North American and European destinations and contains coupons that entitle visitors to big discounts at top attractions and museums in each city. These discounts-usually 50% off or 2-for-1 deals-ensure that each book can pay for itself in one day. A fold-out map, which includes a vicinity map, a detailed street index and subway map, and links to the 100 pinpoint maps in each guide, makes getting around easy. Written by experts on each city, these guides provide up-to-date information about attractions, history, museums, restaurants, nightlife, shops, annual events, and tourist activities. Each guide gives travelers all the information they need for a short visit, plus the chance to save a lot of money while they are there.
