Opus Publishing : Bostonian's Boston Map before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bostonian's Boston Map:

I had to use a 3X to see the fine print. 0 of 0 people found the following review helpful. Shipped fast and good quality. By Y. Exactly what I expected. It fit perfectly in a little pocket on the outside of my purse.

The Bostonian's Boston Map fits perfectly into a back pocket, while still showing every detail of Central Boston. On the back, a map of Cambridge shows streets and landmarks from the Charles River to Davis Square. A full map of the Boston T and a close-up of Downtown Boston round it out. Building address numbers and clearly marked Boston T stations and lines help make this the best map of Boston you'll ever see.
