The key helps identify the type of trail and area topography. Sites of interest are also clearly marked. Just what I was looking for. Thank you.1 of 1 people found the following review helpful. Don't leave home with out them!By Delver RootnoseGreat maps, a must have for serious offroaders. You will get lost without them- and I have a great sense of direction. These back roads wind around a LOT. Good elevation lines, some roads are a bit rougher than indicated.0 of 0 people found the following review helpful. Five StarsBy DeadbeatThis is one heavy duty map

Waterproof Tear-Resistant Topographic MapCreated in partnership with the U.S. Forest Service and others, National Geographic's Trails Illustrated Map of Bradshaw Mountains is an essential travel companion for novice and experienced outdoor enthusiasts alike exploring the area.
