**Kathy Barco, Valerie Nye : Breakfast Santa Fe Style** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Breakfast Santa Fe Style:

Where can you eat breakfast with a view of the Jemez Mountains? Where can you spy Elvis while drinking your

morning cup of Joe? What breakfast restaurant could accommodate three kids, one dog, and two parents? Who serves a Grilled Chocolate Sandwich? Where is it possible to surf the Internet while enjoying Pion Pancakes? Who do you call when you want to pick up 20 Breakfast Burritos for your coworkers? We've got the answers to all of these questions! Think of us as your personal librarians, and come along to over 50 Santa Fe breakfast eateries. Take advantage of our extensive (and delicious) research. And, in honor of our 'day jobs' as librarians, we've included recommendations for some great American Southwest books that perfectly match each restaurant. Breakfast is the most important meal of the day, and when you're in Santa Fe it's the best meal of the day. From quickie drive thru-breakfast burrito stands to leisurely weekend brunches, let this book be your guide to the wide array of breakfast--Santa Fe Style!
