**James Kavanagh, Waterford Press : British Columbia Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised British Columbia Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

British Columbia is the permanent or migratory home of 536 species of birds, including the provincial bird, the stunning, crested Steller's jay. This beautifully illustrated guide highlights over 140 familiar and unique species and includes an ecoregion map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike.

From the Back Cover British Columbia Birds, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. This guide covers birding hotspots and sanctuaries. Whether you're on a nature hike or in your own backyard, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map highlighting prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures.
