David Spalding, Andrea Spalding, Lawrence Pitt : British Columbia Ferries: And the Canadian West Coast (Altitude Superguides) before purchasing it in order to gage whether or not it would be worth my time, and all praised British Columbia Ferries: And the Canadian West Coast (Altitude Superguides):

Locals view the ferry system as a necessity of life, tourists see a ferry ride as an inexpensive cruise. Ferries are a fundamental, vital and exciting experience on Canada's west coast, and this SuperGuide offers lots of information on the experience.
