**David W. McCullough : Brooklyn...and How It Got That Way** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brooklyn...and How It Got That Way:

4 of 4 people found the following review helpful. a nice pictorial stroll through Brooklyn, past and presentBy lazzaI discovered this book at a thrift shop and was very surprised and pleased. Its 200+ pages provide a great history lesson on Brooklyn and describes nicely all the nuances of its neighborhoods. The pictures and photos are great. This book is definitely a keeper! I will definitely look for the author's other book on the Brooklyn Bridge.Bottom line: a quality, pleasant portrayal of Brooklyn. It seems criminal for this book to be out of print!!

Hardback non-fiction vintage book.
