A first-of-its-kind collection, *The Brooklyn Bartender* gathers 300 of the most innovative and exciting cocktail recipes from this booming destination borough at the height of its international popularity. Brooklyn is one of the top trendsetting places in the world today. Its neighborhoods, artists, writers, restaurants, and, yes, drinking establishments set the pace for the rest of the nation. *Brooklyn Bartender* takes us behind the bar to experience 300 of the best and most inventive drinks being served today, plus tips for at-home mixologists. Organized by spirit, the recipes allow readers to replicate bartenders' signature drinks, from the ornate juleps and cobblers of *Maison Premiere* to the party-friendly "Frozemonade" at *Extra Fancy* to the namesake gin cocktail of *Clover Club*. Additional features include "5 Takes on the Martini" and variations on other classic drinks, as well as bartenders' recommendation for events, infused spirits, and more. Designed to be the perfect bar-side companion.

"A hugely fun, judgment-free tour of one of the country's hottest spots for craft cocktails... Jones is a great storyteller, and her subjects are informative and engaging. Even the staunchest teetotaler will work up quite a thirst while perusing what is easily one of the best cocktail books this year." --*Publisher's Weekly*, starred review

"Every cocktail I've made has been delicious and smartly designed. Each drink is unusual and complex, but not muddled in flavor; the kind of thing you'd be excited to receive at a fancy bar, but even more pleased to shake up yourself." --*Serious Eats*
