**Brian Merlis, Lee A. Rosenzweig : Brooklyn's gold coast: The Sheepshead Bay communities** before purchasing it in order to gage whether or not it would be worth my time, and all praised Brooklyn's gold coast: The Sheepshead Bay communities:

7 of 7 people found the following review helpful. A Sloppy HistoryBy A CustomerThe book has some good photos, but the printing is poor quality and the layout and design are sloppy and confusing. Whole sections of the text are lifted directly from Vincent Seyfried's "The Long Island Railroad: A Comprehensive History." And the source of some of Brian Merlis' photos must be questioned.6 of 6 people found the following review helpful. brooklyn boyBy A Customerhaving grown up in sheepshead bay, I couldnt say no to this book. Pictures and history are quite interesting, but they arranged somewhat haphazardly and the history is not in chronologic order. A good book if you are from the area

Book by Merlis, Brian, Rosenzweig, Lee A.
