Alaska Geographic Association : Brooks Range (Alaska Geographic) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brooks Range (Alaska Geographic):

1 of 1 people found the following review helpful. Nicely illustrated introduction By JHailman I bought this before going into the backcountry of the Brooks Range and devoured it avidly. My only complaint was that it was falling apart on arrival. Since I have a heavy duty manuscript stapler, I put it together (ugly as staples may be). Going to the Brooks Range or been there? You'll like this book. 0 of 1 people found the following review helpful. Brooks Range By libreeBook came damaged but I think it was the Post Office that damaged it. Otherwise it looked like a good copy. Unfortunate.

Alaska Geographic is an award-winning series that presents the people, places, and wonders of Alaska to the world. Over the past 30 years, Alaska Geographic has earned its reputation as the publication for those who love Alaska. The series boasts more than 100 books to date, featuring communities from Barrow to Ketchikan, animals from bears to dinosaurs, history from the Russian explorers to today, and natural phenomena from the aurora to glaciers. Written by leading experts in their fields, these books are illustrated throughout with world-class photography and include colorful maps for reference.

A comprehensive look at the largest mountain range in northern Alaska. With index. -- From the Publisher
