Rand McNally, Navteq : Bryan/College Station before purchasing it in order to gage whether or not it would be worth my time, and all praised Bryan/College Station:

This is a detailed map of Bryan and College Station, Texas. Complete coverage for the cities and surrounding areas, with an inset map for downtown. Plus most major tourist and business districts. When you flip the maps over, you will find a complete street index and a "city and vicinity" map of the entire metro area
