Nice to read about a "functional" father/daughter relationship. If you are looking for a lot of technical details, this is not the book.0 of 0 people found the following review helpful. Inspiring!!By KeithThoroughly enjoyed the telling of Peter and Natasha's Camino pilgrimage. What fun it must have been for a father and his daughter to share such a magnificent adventure. I wish the pictures had been placed in the narrative instead of at the end (at least it was this way in the Kindle version), but it was still a very enjoyable read.
