Good quality book and illustrations. 0 of 0 people found the following review helpful. The Ark By MS MEME I know I will like this book. Was at the Ark just last week, saw the book and looked through it. Didn't purchase there. Cheaper on . You must go visit, wonderful experience. 0 of 0 people found the following review helpful. Love it. By grudy Went and visited the Ark and then decided I should have bought the book! Love it.

See the vision and reality of this full-sized, all-wood Ark come together, dream by beam! Located in Williamstown, Kentucky, the Ark Encounter is a one-of-a-kind historically themed attraction. In an entertaining, educational, and immersive way, it presents a number of historical events centered on the Ark and the Flood as presented in the Book of Genesis. View the skills and techniques of the Amish craftsmen primarily responsible for the timber construction of this amazing structure Discover the construction details of the largest timber-framed building in the world: 510 feet long; 85 feet wide; 51 feet high based on the Bible's dimensions (300 cubits long; 50 cubits wide; 30 cubits high) and using the Hebrew long cubit of 20.4 inches Learn fascinating facts that include how the 3.3 million board feet of wood used could be laid out from Kentucky to Philadelphia, over 600 miles! The project is an engineering masterpiece gathering some of the most skilled craftsman and contractors in the country. It presents the world with a reminder of

the Bible's account of the Ark. Here are the details of how it all came together!
