T. Lindsay Baker : Building the Lone Star: An Illustrated Guide to Historic Sites before purchasing it in order to gage whether or not it would be worth my time, and all praised Building the Lone Star: An Illustrated Guide to Historic Sites:

0 of 0 people found the following review helpful. Five StarsBy GigiGreat read!3 of 4 people found the following review helpful. An excellent pictorial of historical engineering achievementBy A CustomerThis book details construction of such marvels as the wooden causeway across Corpus Christi bay and the Town Lake dam in Austin. Must reading for architectural and engineering historians and all Texans in general.
