When Busch Gardens Tampa Bay opened in 1959, the Tampa, Florida, park became an immediate hit with locals and tourists alike. Over the decades, Busch Gardens has grown to become an internationally acclaimed and accredited zoological facility and world-renowned theme park. Serving as a sanctuary for thousands of exotic and endangered animals from around the globe and offering up unique thrilling rides and world-class entertainment, Busch Gardens Tampa Bay proudly welcomes millions of guests each year.

Images of Modern America: Busch Gardens Tampa Bay gives an excellent photographic journey on how the park has blossomed over the years [...] I cannot recommend Images of Modern America: Busch Gardens Tampa Bay enough. So few parks have the illustrious history that Busch Gardens does and it's an absolute must-have for any theme park buff. ~Josh Young, Theme Park University
