Bob Dhillon, Fred Langan : Business and Retirement Guide to Belize: The Last Virgin Paradise before purchasing it in order to gauge whether or not it would be worth my time, and all praised Business and Retirement Guide to Belize: The Last Virgin Paradise:

Belize is an English-speaking tropical paradise, with an azure Caribbean coast, accessible rainforest, lost jungle cities,

and a cost-of-living that makes it affordable for Canadians, Americans, Europeans, as well as the emerging middle class of Mexico and Central America. It is one of the worlds most undiscovered secrets, a retirement haven and a safe place to park your money. Business and Retirement Guide to Belize is an introduction to living, working, and retiring in Belize, as well as owning property there. Bob Dhillon introduces the reader to the country, its beauty and friendly people, as well as to its economic attractions. Belize is a moveable feast and the better you get to know it, the more you will enjoy it.
