Bev Laflamme : Buying or Renting a Home in New York: A Survival Handbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Buying or Renting a Home in New York: A Survival Handbook:

3 of 3 people found the following review helpful. For British Ex-pats, not a US audience By sophienose Although the product information doesn't make it clear, this is written for a British audience who might be relocating or seconded to the US - details are too superficial or irrelevant for anyone who knows neighborhoods in NYC (but needs more detail) or is familiar with the basics of US real estate buying

Written in an entertaining style, *Buying or Renting a Home in New York* covers everything a prospective buyer could wish to know including buying for investment, renting, the best places to live, finding your dream home, finance, the purchase procedure, moving house, taxation, insurance and much, much more, including a comprehensive survey of all New York boroughs. It is packed with vital information and insider tips to help readers avoid disasters that can turn their dream home into a nightmare. *Buying or Renting a Home in New York* is essential reading for anyone planning to buy or rent a home in New York and is designed to guide readers through the property maze and save them time, trouble and money!
