Good color, easy to see and fit pieces. We may purchase a puzzle with more pieces next time, but this was the perfect puzzle for a rainy and cool day.0 of 0 people found the following review helpful. Beautiful Photos - Great Photographer - Cades Cove - Window to a Secret WorldBy D. L. SmithI have been to the Cove to photograph several times during various seasons. It offers so much for the person who is willing to just enjoy the beauty of the place at a leisurely pace.Bill Lea's book provides a "vacation" to the Cove in great photos. There are some great historical pieces included as well. He is one who truly knows this place and can provide the intimate details that bring it back to life. Of course, his photos in these books and his calendars are wonderful.0 of 0 people found the following review helpful. Five StarsBy mike longlove this book
