A must for anyone traveling through the state and looking for something good to eatBy Midwest Book ReviewJoanne Raetz Stuttgart is a folklorist and the author of "Cafe Wisconsin" and co-author of "Cafe Wisconsin Cookbook". "Cafe Indiana: A Guide To Indiana's Down-Home Cafes" is her latest compilation and a superbly presented guide to Indian's hometown mom-and-pop restaurants in celebration of small-town Midwest culture. A perfect travel guide for anyone seeking authentic local cuisine, "Cafe Indiana" is

organized into sections showcasing home-town cafes in the North; West; East; Central; South Central; and South regions of Indiana. Each entry includes directions, address, phone numbers, hours, and a descriptive and personable anecdote. Combining recommendations with cultural insights, "Cafe Indiana" is a must for anyone traveling through the state and looking for something good to eat and an intrinsically interesting place in which to have their breakfast, lunch, or dinner. 1 of 1 people found the following review helpful. Great Guide! By Judy P. I grew up in Indiana and now live in Arizona. I return to Indiana several times a year to visit family and friends. This book is a great guide to those wonderful, uniquely midwestern cafes that cook and serve the best of downhome cooking. Also highly entertaining. My highest recommendations. 0 of 0 people found the following review helpful. Valuable Travel Book By L Cafe Indiana is good resource for independent (therefore unique) family dining. Typically in small off the beaten-path locations. Provides great destinations for those Sunday afternoon rides.

Cafe Indiana is both a guide to Indianas hometown mom-and-pop restaurants and a reclamation and celebration of small-town Midwest culture. The hungry diner looking for adventure and authenticity can use Cafe Indiana simply as a guide to the states quintessential eats: the best fiddlers, macaroni and cheese, soup beans, and beef Manhattan. But Stuttgen also captures the spirit of the locals, bringing to life the people whose stories give the book and the food its soul. Over plates of chicken and noodles, fried bologna sandwiches, and sugar cream pie, folks are crafting community at the Main Street eatery. In Cafe Indiana, Hoosiers and out-of-staters alike are invited to pull out a chair and sit a spell.

Exploring Indiana's back roads and small towns, Joanne Stuttgen has found a feast of food as well as food lore. We love this books roster of dozens of cafes we want to visit, but even better is its appreciation for the people who work in them and eat in them. So much more than a guide book, here is a loving ode to American foods humble folk artists who keep traditions alive and are the soul of small town life. Jane and Michael Stern, Roadfood.com
