Sandra Keith : California Coast before purchasing it in order to gage whether or not it would be worth my time, and all praised California Coast:

2 of 2 people found the following review helpful. beautiful california coastBy breannathis is a wonderfull book on the california coast with wonderfull pictures that will not disapoint if you like the coastline of california i recommend it

highly

Words and pictures take you from the massive redwood forests and headlands of the north, to the plunging cliffs of Big Sur, to the south coasts of Long Beach and San Diego.

About the Author Larry Urich's outdoor and nature photography has been published in more than ten books and in numerous magazines and calendars. He lives five minutes from the Pacific Ocean.
