**California Coastal Commis : California Coastal Access Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised California Coastal Access Guide:

6 of 6 people found the following review helpful. and there are lots of great photos. If you want to explore the coast ...By scooter281This book, published in 2014 by the California Coastal Commission, offers the very latest and most up-to-date information on just about every mile of the California coast. Campgrounds, coastal trails, dog-friendly, visitor center and parking are among the many categories of information that is shown for each location. And, the maps are in full color, and there are lots of great photos. If you want to explore the coast of California, then "Don't leave home without it".2 of 2 people found the following review helpful. Best CA coast guide ever publishedBy KEN

A. This is by far the best coastal access guide for California ever published. Every square mile in detail. I've bought a new guide everytime it's been published since it came out. 2 of 2 people found the following review helpful. Still the Ultimate Guide By Big Mo The new edition seems smaller and less accessible than the old ring bound ones. Still, there's no other resource like this.

From the majestic redwoods and rocky shores in the north to the palm trees and wide, sandy beaches in the south, the California coast is an area of unsurpassed beauty and diversity. This thoroughly revised and expanded 7th edition of the California Coastal Access Guide is an essential travel handbook for both new and seasoned visitors exploring California's majestic 1,271-mile shoreline. With up-to-date maps and information, it is an invaluable travel guide for all coastal visitors beachgoers, hikers, campers, swimmers, divers, surfers, anglers, and boaters detailing where to go, how to get there, and what facilities and environment to expect. The 7th edition features: --Information on more than 1,150 public access areas --Descriptions of campgrounds, trails, recreation areas, and visitor centers --Addresses, directions, and phone numbers --Information on wheelchair-accessible trails and facilities --Easy-to-read charts listing facilities and amenities --More than 170 color maps showing roads, trails and topography --More than 360 color photographs

"Kick off those flip-flops, and prepare to nestle your toes in the sand. The California Coastal Commission's newly updated 'California Coastal Access Guide' will guide you to every nook and cranny along the Golden State's 1,271-mile coastline."
