Very Helpful Information By Al Price I'm 67 years old, retired, and a Volunteer Docent (Guide) at a Western History Museum up here in the Sequoia National Forest. The information in this book helps me to be a better guide when discussing the local Ghost Towns. Thanks for the help! 2 of 2 people found the following review helpful. Good book with hand drawn maps and short story to get your research started. By

DivingEngineerGreat book to plan stopovers when you are passing near to an old ghost town. The only drawback I see is that some of them have since been repopulated and are not accessible to the general public.0 of 0 people found the following review helpful. Very disappointed. A total wasteBy RaceManLacking any real substance. Very disappointed. A total waste.

Relive the history, high drama, heartbreak, and quick fortune world of the California ghost towns. This best-selling guide provides detailed maps, interesting facts, and historical data for 139 of the best-known sites throughout the state, by region, with illustrations and photos.
