Cami Scovotti : Cami Earns Her Ears: My Secret Walt Disney World Cast Member Diary (Earning Your Ears) (Volume 6) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cami Earns Her Ears: My Secret Walt Disney World Cast Member Diary (Earning Your Ears) (Volume 6):

0 of 0 people found the following review helpful. Don't skip, just read it.By CustomerI'm not like others on here,

where I'm going to slam her for her writing or her story. I enjoyed her story. It was different from the others. Not all the books are the same, nor should they be. That would be boring. Yes her story involves a lot of drama with cast members but not everyone has great experiences. Glad to read about the down side of the program. I enjoyed this as much as the other books. I'm glad I didn't let the other reviews persuade me on skipping it. 7 of 9 people found the following review helpful. Don't even bother. By Dan Castillo. Hands down the worst book of the entire series. Very whiney, super exaggerated and overall really bad story telling. At the end of her book she says that she gave up so much yadda yadda, does she think that she's the only person in WDW that gave up a lot to work there? Would not suggest this book at all, the only reason I trudged through it was because I read the others in the series and figured that I might as well finish them out. 1 of 2 people found the following review helpful. Brief but a great read. This series is great for folks that ... By John II. Brief but a great read. This series is great for folks that don't mind trading a little magic for a behind-the-scenes view of working at Disney.

Real Cast Members of Orlando. If that sounds like the title of a reality show, it's because Cami Scovotti's college program at Walt Disney World played out like one. From unstable co-workers to drama queens and jilted suitors, the pixie dust in this story packs a punch. The "Earning Your Ears" series chronicles the experiences of young people from around the country and around the world who leave home, often for the first time, to live and work in Walt Disney World or Disneyland for several months, or even longer. Each book in the "EARS" series makes you an honorary cast member as the author takes you behind Disney's pixie dust curtain to learn things the Mouse would prefer you didn't know, and what no guidebook will tell you, including how the theme parks operate from the inside out and what Disney employees do when they're not wishing you a magical day. In *Cami Earns Her Ears*, former Disney World cast member Cami Scovotti shares: How to survive the grueling schedule of a Disney housekeeper (plus guests who die in their rooms) How to control thousands of guests during Disney parades without getting punched in the face How to handle (lots of!) intense cast member friendships and romances How to deal with the Mouse when it turns and bites you in the ass If you've ever wondered what it would be like not just to visit a Disney theme park but to work in one, the "Earning Your Ears" series is your E-ticket!
