John Brierley : Camino de Santiago Maps / Mapas / Cartes: St. Jean Pied de Port/Roncesvalles to Finisterre via Santiago de Compostela (Camino Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Camino de Santiago Maps / Mapas / Cartes: St. Jean Pied de Port/Roncesvalles to Finisterre via Santiago de Compostela (Camino Guides):

14 of 14 people found the following review helpful. IndispensableBy William P. EdwardsI used the previous edition of the guide when I walked the Camino from SJPP in 2009. If you are only willing to carry one guidebook this is the one to bring as the maps are readable, the elevation charts very helpful, and the book lightweight and well sized for the

cargo pockets of the convertible pants all peregrines wear. Instead of the New Agey passages ("The Mystical Path"), Brierley could have more helpfully added more info about the various albergues or highlights. And the approach route to Leon has been changed from his description/map, an error repeated in this new edition. Otherwise it's the perfect guide to the Camino. 0 of 0 people found the following review helpful. Guide book for a long walk By Ochocojack Instead of getting this book, I would get the author's guide book that covers the same area. The guide book not only has the maps that are in this book but also lists all the places to stay, things to see, and gives brief history of the areas. 0 of 0 people found the following review helpful. Five Stars By M. Campbell I used this every day during my pilgrimage. Used it constantly

Spiritual seekers and travelers will find all the resources they need to walk the Way of Saint James in this complete trilingual set of maps and town plans translated into English, Spanish, and French. Covering the sacred route from St. Jean Pied de Port to Santiago, including the Finisterre extension for modern-day pilgrims who wish to reach the ocean, this portable book of maps makes the perfect companion for adventurers attempting to heed the spiritual calling. Light enough to carry while walking long distances each day, the maps show the location of all pilgrim hostels en route and the distances between all villages and points of interest, as well as counter guides, alternative routes, and accommodations.

"Even if you don't think you will ever make this pilgrimage, you will enjoy the books because they help you feel like you are right there, making the journey along with the many travelers on the paths." -New Spirit Journal About the Author John Brierley is a former chartered surveyor whose abiding passion has become the promotion of business sabbaticals and pilgrimages as a way to reappraise life's purpose. He is the author of *A Pilgrims Guide to Camino de Santiago*, *A Pilgrims Guide to Camino Finisterre*, and *A Pilgrims Guide to Camino Portugus*.
