Christopher Larsen : Campfire Tales: Great Lakes before purchasing it in order to gage whether or not it would be worth my time, and all praised Campfire Tales: Great Lakes:

0 of 0 people found the following review helpful. Fun stories with interesting detailsBy MajankaAn okay read with 11 spooky campfire tales, based on legends and true events around the Great Lakes region. I did like the details the author included in the book. The stories arent all that believable though, but they are good fun. I received a free copy in exchange for an honest review.

Enjoy 11 spooky campfire tales based on legends and true events in and around the Great Lakes region. Filled with creepy and sometimes humorous details, each has historic significance. Shiver as you read about the ghosts in Duluth, Minnesota, haunting the Glensheen Mansion, and the myth of a giant moose terrorizing tourists off the North Shore of Lake Superior. Meet the Melon Head Creatures, living in a dark and forbidden forest off Lake Michigan, the result of a mad scientist's experiments, or a classic Lady in White. Discover the Manitou water gods, Native American spirits living at the bottom of the lake always looking for unsuspecting prey. Find a giant man-eating turtle, storm Hags, and the Red Devil of Detroit. Learn about Niagara Falls' Maid of the Mist, the real legend of the Edmund Fitzgerald, and the Michigan Dogman.

About the Author Christopher S. Larsen is an award-winning author of young adult novels and short stories and has previously written several books on the paranormal. His fascination with monsters and the mysterious things of life guided him into writing this book
