**Jerry Apps : Campfires and Loon Calls: Travels in the Boundary Waters** before purchasing it in order to gage whether or not it would be worth my time, and all praised Campfires and Loon Calls: Travels in the Boundary Waters:

1 of 1 people found the following review helpful. Pretty good bookBy RobRoyI enjoyed this book, and learned some helpful canoe-camping tips. I'm planning our first-ever Boundary Waters trip so I'm reading several books. This is not

the very best "how-to" Boundary Waters book (Michael Furtman's Canoe Country Camping is more comprehensive), but this book is worth the money and I'm glad I bought and read it. Do not expect this book to suggest routes or include maps, it's not a route book. Instead, the author describes his experiences canoe-camping with his son over the years, and he provides helpful advice and dos-and-don'ts, things to bring and things to leave. Lots of blackwhite photos. Author's description of rough water, leaky tents, and camping in rain are particularly informative for first-timers. 0 of 0 people found the following review helpful. Five Stars By Rhobare Great canoe stories from Jerry 0 of 0 people found the following review helpful. Fine book about the author's personal experiences on the Boundary ... By William G. Nyilas Fine book about the author's personal experiences on the Boundary Waters Canoe Area. Also, it was written recently (many of Jerry Apps books were written decades ago), and reflects the changes in equipment, techniques, etc. that he has made over the years.

Jerry Apps shares 25 years of wilderness canoeing experience wicked thunderstorms, inquisitive bears, swamping a canoe, and watching the night sky filled with stars as well as advice from how to set up a camp and protect food from hungry bears, to minimalist cooking, appreciating a rainy day, and a history of the Boundary Waters region.

About the Author Jerry Apps writes novels and nonfiction books about the outdoors, country life, and rural living. He received the 2008 First Place Nature Writing Award from the Midwest Independent Publishers Association and the 2007 Major Achievement Award from the Council for Wisconsin writers. He and his wife live in Madison, WI. His website is [www.jerryapps.com](http://www.jerryapps.com).
