It has lots of tips to make your trip easy and pleasurable. It has many different camp grounds. I have an older edition, but I have not found any place in this book, that was not as described. I am sure that the newer editions have more and newer sites. I will keep this one for a couple more years and then buy a new one.6 of 11 people found the following review helpful. GREAT DETAIL - A MUST HAVE CAMPER'S BOOKBy Cristi

ZbellaI was VERY impressed with the details of so many campgrounds in Arizona. I did not expect the book to be so detailed.0 of 1 people found the following review helpful. Good BookBy ADESTESThis is a great book and this is a must for a 72 hour kit, a lot of people do not think about it but these are a must for them in the Arizona area.

Fully updated and revised, Camping Arizona contains detailed information on more than 150 public campgrounds in Arizona. It's a guide for everyone from tenters to RVers.

From the Back CoverCamping is a year-round activity in Arizona. 'Because of the large variations of elevation in the state, Arizona always has delightful weather somewhere,' writes author Bruce Grubbs and Camping Arizona makes it easy to pick your destination. Featuring detailed descriptions of more than 150 public campgrounds, Camping Arizona is an ideal companion for tourists and locals alike, whether you're searching for a place to pitch your tent or park your RV.
