Alex Nutt : Camping Georgia (Regional Camping Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Camping Georgia (Regional Camping Series):

0 of 0 people found the following review helpful. Four StarsBy Debbie PowersThis is a very helpful book.12 of 15 people found the following review helpful. The Best Trails in GA in one book!By TrishAlex Nutt, former president of SORBA (Southern Off Road Bicycle Association), does a fantastic job of listing the best rides in North Georgia. The book includes very accurate directions, maps, and photos of the trails. This is the best trail book I have seen for Georgia. As former president of SORBA, Alex knows the trails better than almost anyone in the area.9 of 12 people

found the following review helpful. A must have!By A CustomerI've owned and utilized this 'guide' for approximately two years. We reside in the Atlanta area and are avid mountain bikers and cyclists. This guide is essential for trail markers, ride routes and cool treks off the beaten path. The book is small enough to tuck away in your camelback and use while riding! FANTASTIC! I would highly recommend if you are looking for trails in Georgia...

Detailed information on facilities, reservations, and locations makes selecting campgrounds fast and easy. This book will appeal to tent campers, car campers, RVers, and anyone looking for a relaxing vacation.

From the Back CoverLooking for the ideal spot to pitch your tent or park your RV? Camping Georgia will take you there. This comprehensive guidebook gives detailed descriptions of more than 100 public campgrounds throughout Georgia - from the mountains to the plains to the coastal areas. The listings include campsites managed by national, state, city, and county parks; the Forest Service; the Bureau of Land Management; and the U.S. Army Corps of Engineers. Easy-to-use maps and charts will simplify your search for the perfect campground. You'll also find vital information on camp locations, fees and reservations, facilities and hookups, recreational activities, weather and geography, and local attractions. (6 X 9, 112 pages, maps, charts)
