**Kenneth Graham : Camping Montana (Regional Camping Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Camping Montana (Regional Camping Series):

0 of 0 people found the following review helpful. Accurate InfoBy Kristyn E.I have used this book for a couple years. I have found the information describing the camp sites and directions to the sites accurate.0 of 0 people found the following review helpful. Great Buy!By mclarkconleyThis book is organized and easy to use. It broken up into regions shown on a map. The descriptions for the campgrounds are pretty accurate. I would recommend this book to a fellow camper.0 of 0 people found the following review helpful. Nice to take on a camping trip!By CustomerNot as

comprehensive as I would have liked. Does not include a lot of the public campgrounds and also misses many private ones,

Fresh mountain air, the soothing of pine trees, and the tantalizing aroma of sizzling trout. These are some of the allure of camping in Montana. And this is the book that will blaze a camper's trail to almost 300 public campgrounds accessible by vehicle--from Missoula to Miles City and everywhere in between. Whether toting a two-man tent or driving a 30-foot-long "tin tepee," outdoor enthusiasts are sure to find the perfect spot in which to kick back and enjoy the sights, smells, and sounds of this unspoiled state.

From the Back Cover Looking for the ideal spot to pitch your tent or park your RV? Camping Montana will take you there. This comprehensive guidebook gives detailed descriptions of more than 300 public campgrounds throughout Montana. The listings include campsites managed by national, state, city, and county parks; the Forest Service; the Bureau of Land Management; and the U.S. Army Corps of Engineers. Easy-to-use maps and charts will simplify your search for the perfect campground. You'll also find vital information on: camp location, fees and reservations, facilities and hookups, recreational activities, and local attractions. So whether you plan to fish or boat on breathtaking mountain lakes, pan for gold in historic Helena, photograph Montana's abundant wildlife and striking geological features, or simply lounge in your hammock and soak up the scenic splendor, let this book be your guide.
