**Melinda Crow : Camping New Mexico (Regional Camping Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Camping New Mexico (Regional Camping Series):

0 of 0 people found the following review helpful. Book very helpful By Mary G We have used this book for almost 10 years and have found it very helpful in choosing areas of interest for our camping trips. We have a small camper and have never had a problem knowing what to expect in advance. Pretty well describes camping conditions and amenities. I would highly recommend it. 14 of 14 people found the following review helpful. Hardly the last word on

Camping in New Mexico  
By A Customer  
Due to the paucity of detailed New Mexico camping guides, this book became a part of our library. After two awful, even frightening experiences at campgrounds, we have considered tracking down the author to register a complaint. We doubt that she has actually visited these campgrounds herself or the descriptions would be at least more accurate. And possibly some sites would be completely eliminated. It is unfortunate that there are not more publications to choose from on this topic. If there were, I am positive that this one would go quickly out of print.  
3 of 3 people found the following review helpful.  
minimally useful  
By Barbara Groom  
Since New Mexico Campgrounds by Christina Frain ( a truly GREAT) guide is out of print , this was the best we could find locally. It is minimal in its usefulness - occasionally a bit inaccurate . A pathetic version of a "guide" book.

Detailed information on 150 public campgrounds in New Mexico accessible by car. Guide for everyone from tenters to RVers.

From the Back Cover  
Let your trip to the Land of Enchantment begin with Camping New Mexico. Featuring detailed descriptions of more than 150 public campgrounds, Camping New Mexico is an ideal companion for tourists and locals alike. Whether you are seeking a camping destination or just passing through, Camping New Mexico can point you in the right direction. This FalconGuide is divided into four geographic sections. The sections are further broken down into specific destination areas. Maps and quick reference tables are keyed to each area to help you pick a site that will meet all your needs. With vital information on location, activities, road conditions, facilities, and even helpful phone numbers and website addresses, Camping New Mexico should be a part of every camper's equipment. Whether you are planning to explore Carlsbad Caverns, test your rock climbing skills at City of Rocks State Park, or hike in the Manzano Mountains, Camping New Mexico can help you find the perfect spot to pitch your tent or park your RV.
