Richard McMahon : Camping Northern California (Regional Camping Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Camping Northern California (Regional Camping Series):

0 of 0 people found the following review helpful. Like the bookBy CustomerLike the book...came quickly and in good condition...realize it is older publication and some campgrounds may have changed or closed but this will be useful as a starting point in locating campgrounds in our area.0 of 0 people found the following review helpful. Reccommend wrapping in plastic wrap to repel water from packagesBy ClaireBook is awesome , it showed up a little damaged,

looks like water damage so it is thicker than normal books But its still legible and great info 0 of 0 people found the following review helpful. Four Stars By C. Herrera Great service. Book was helpful.

Detailed information on 800 public campgrounds in Northern California accessible by car. Guide for everyone from tenters to RVers.

From the Back Cover Looking for the ideal spot to pitch your tent or park your RV? Camping Northern California will take you there. This comprehensive guidebook gives detailed descriptions of more than 750 public campgrounds from the Oregon border to the San Francisco Bay area. The listings include campsites managed by national, state, city, and county parks; the Forest Service; the Bureau of Land Management; and the U.S. Army Corps of Engineers. Easy-to-use maps and charts will simplify your search for the perfect campground. You'll also find vital information on: camp location, fees and reservations, facilities and hookups, recreational activities, weather and geography, and local attractions. So whether you plan to bask on a sunny beach, hike through Northern California's wilderness, tour its vineyards, fish its gold-medal streams, or simply lounge in your hammock and soak up the scenic splendor, let this book be your guide. (6 X 9, 432 pages, bw photos, maps, charts)
