Judy Jewell, Erwin Bauer, Peggy Bauer : Camping! Oregon: The Complete Guide to Public Campgrounds for RVs and Tents before purchasing it in order to gage whether or not it would be worth my time, and all praised Camping! Oregon: The Complete Guide to Public Campgrounds for RVs and Tents:

2 of 2 people found the following review helpful. Very helpful guide to OregonBy Mark RSGreat to have so many

campgrounds at your fingertips. We enjoyed the style of writing and the content. The photos helped us remember which places we had already been. Would be perfect for the tent camper. Since we are hauling a long travel trailer it would have been more helpful if it had listed the length of the campsites and if the road to get to the site were appropriate for hauling a trailer. Overall, we are happy to have this as part of our library. 0 of 0 people found the following review helpful. Oregon BookBy Patricia ShermanIt gave me all the information I needed for my trip to Oregon...Booked all my reservations at State Parks along the ocean. 0 of 0 people found the following review helpful. Recommended for campers (RVs don't count)By Kyle KivettUseful, engagingly written, mostly accurate (which is tough since things change so much), this is well-worth having in your outdoor library! Also includes some info on camping with dogs (because the author takes her dog along), which is good to have as well. A few quibbles with ratings, but nothing to complain about. Just wish there were more campgrounds included!

Camping! Oregon is the only evaluative guide to the state's more than 600 forest service, BLM, county, and state park campgrounds. From the coast's famous state parks to secluded Cascade sites, this new guidebook helps camper of all types find the perfect place to pitch a tent or park an RV.

About the AuthorJudy Jewell has written for several guidebooks, including Compass American, Lonely Planet, Moon, and Best Places, and was the manager of Powell's Travel bookstore in Portland. She lives in Portland.
