Tom Behrens : Camping Texas: A Comprehensive Guide To More Than 200 Campgrounds (State Camping Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Camping Texas: A Comprehensive Guide To More Than 200 Campgrounds (State Camping Series):

1 of 1 people found the following review helpful. better than nothingBy regular guyHardly comprehensive as far as the

number of offerings, but for the campgrounds it mentions, it does provide good information and details. Also presented in a thoughtful organizational structure. The majority of offerings are state park campgrounds, so if you want to find others, probably not your best bet. But very good and helpful info for the campgrounds it covers. 1 of 1 people found the following review helpful. Not so comprehensive
By T. Hamblin
An OK reference. Better info is available on the web for free with a little time invested. Not that great.
0 of 1 people found the following review helpful. love it
By M. Zimmer
I started with this as a sample and ended up purchasing it! it has some great information!

Camping Texas provides useful tips on camping etiquette, camping with children, and enjoying--or avoiding--the state's diverse and abundant wildlife.

From the Back Cover
Wondering where to pitch your tent or park your RV among the numerous camping opportunities offered by the Lone Star State? Let Camping Texas lead the way! This indispensable guidebook provides detailed descriptions of more than 200 public campgrounds across the state. From the Gulf Coast to the mountains of West Texas, they accommodate a range of outdoor interests, including fishing, boating, mountain biking, bird watching, and horseback riding. Easy-to-use maps and charts will help you choose the perfect site for your next camping trip, whether you're going alone, as a family, or with a group. In addition to providing detailed site descriptions and directions, Camping Texas includes useful tips on camping etiquette and enjoying or avoiding the state's diverse and abundant wildlife.
