Walker that offers all day field trips to my clients, this book came in handy. I have several dogs in the hiking program and this book was very helpful. It's also awesome when traveling to locate where I can stay with my dogs, etc. 0 of 0 people found the following review helpful. Great gift! By drwends I bought this for my boyfriend's dad because he has 2 big dogs and lives in Phoenix. He has enjoyed the book and found new places to take the dogs. 6 of 6 people found the following review helpful. Good Book By LL Cool Jack We have 2 Australian Shepards who need to be active! This book is great because a lot of the info in it is timeless - such as trails and park info. etc. Living in Arizona means year round outside activities and this book is a great place to start planning hikes with the pups.
