First Last : DOIN' THE NORTHWEST WITH YOUR POOCH 2nd before purchasing it in order to gage whether or not it would be worth my time, and all praised DOIN' THE NORTHWEST WITH YOUR POOCH 2nd:

0 of 0 people found the following review helpful. Must have, if you like to see the beauty nature has to offer!By Karmon J. Carter-whiteI've owned this book for at least 5 years. The multiple hikes in this book are fantastic whether you have a dog or not! Many of the hikes are not listed in other hiking books. I've given this book as a gift to others.3

of 3 people found the following review helpful. a shamBy CustomerI had great hopes for this book, I was looking for great places to bring a dog. The descriptions invariably started out with some cute language then went on as if you didn't have a dog. I had the distinct impression that another book on parks was repurposed by just a few silly 'bring your tail-waggin' pooch ...' phrases tacked on to the front of each paragraph. The description for one park recommended bringing your kite. Can you imagine flying a kite with your dog on a leash?Disappointing.

This new second edition is the ultimate dog owner's guide to the Northwest. Everything you need to know about travelling and having fun with your pooch in Washington and Oregon. This best-selling directory of dog-friendly activities and lodgings offers an outstanding variety of recreation and accommodations, from luxurious resorts to budget motels, there are listings in every price range with * addresses * phone numbers * room rates Listed also are over 1,000 dog adventures, from pristine beaches to expansive parks. This book is perfect for dog lovers who enjoy spending time with their pets, hiking and exploring the great outdoors.
