Premier Scenery on These 10 Hikes By Mark Hartman I enjoyed the book, and was able to use it on a vacation to the Canadian Rockies. The book borrows heavily from the authors' "Don't Waste Your Time" hiking guide. Well documented day hikes broken down by length and difficulty. Banff is an extraordinary place to hike. Make sure to bring your bear bell and camera.

Jazz set in stone, lofted into the sky. Within the Canadian Rockies is a town world-famous among hikers: Banff. And if that's your destination, *Done in a Day Banff: The Ten Premier Hikes* is the one book you must have in your pack. *Done in a Day Banff* describes where to invest your limited hiking time to enjoy the greatest scenic reward. Choose an easy, vigorous, or challenging hike. Start your adventure within a short drive of town. Witness the wonder of Banff National Park and be back for a great meal, hot shower, and soft bed. 90 photos. Trail maps for each trip. Full color throughout.
