Kenn Oberrecht : Driving the Pacific Coast- California: Scenic Driving Tours Along the Coastal Highways
before purchasing it in order to gage whether or not it would be worth my time, and all praised Driving the Pacific Coast- California: Scenic Driving Tours Along the Coastal Highways:

1 of 1 people found the following review helpful. Not the Oregon format. (mile by mile)By CustomerI ordered this book because the same author published a fantastic book driving along the Oregon Coast. The Oregon book referenced mile by mile detail of the Oregon Coast from north to south. It made planning a trip very easy. Although this book moves from the south to the north there is very little reference to mile markers. Planning a trip knowing how many miles to drive and what to see or experience is much more difficult.Having initially purchased the Oregon book and planned that part of the trip first, I was a little disappointed when I purchased the California book. Planning the trip became a bit more difficult.0 of 0 people found the following review helpful. Useful, mostly accurateBy Peggy VincentUseful, mostly accurate. I'm glad we had it with us as we meandered up the coast from the Bar Area to Washington State.3 of 3 people found the following review helpful. Tour guide review, Pacific Coast Highway.By William P HasslerThis book was very helpful during my week long trip. I probably would have missed many key stops. This road-trip via Ford Mustang convertible was one that I hope to repeat. Book arrived even earlier then had indicated. A positive experience with .com.

Packed with information, this guide to driving the coast road in California reveals sun-drenched vineyards open for tastings, forests of giant redwoods, sports and fishing locations, and elegantly restored Victorian inns.

From the Back Cover The best way to discover the California coast's many treasures is with this book as your trusty companion. Packed with information about thirty-seven communities, this guide is your ticket to everything from a relaxing one-day breather to a monthlong tour of the entire 1,100-mile coast. This guide includes information on top notch accommodations, oceanside camping, unique shopping opportunities, recommended restaurants, museums and cultural attractions, picturesque beaches, excellent water sports, fun side trips, tours, golf courses and special events. (5 1/2 x 8 1/2, 240 pages, bw photos, maps)
