Kenn Oberrecht : Driving the Pacific Coast Oregon and Washington, 4th: Scenic Driving Tours along Coastal Highways (Scenic Driving Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Driving the Pacific Coast Oregon and Washington, 4th: Scenic Driving Tours along Coastal Highways (Scenic Driving Series):

10 of 10 people found the following review helpful. Good on the towns, not much in betweenBy A. J. GauldThis is basically a list of towns in the order that you hit them driving Hwy 101. It's OK if that's all you want but don't expect much guidance on things off the beaten track, or indeed anywhere outside a town! I found the Rough Guide Pacific Northwest book much more useful. 0 of 1 people found the following review helpful. needs a little colorBy Emerald PilgrimI'm sure some of the information in this book may be outdated by now (published in 2000) as things do change, but I bought this book thinking it would be second best to actually taking the drive, which is a little beyond my means to actually do. So I wasn't expecting 100% accuracy as much as I was hoping for more scenic photos. In fact, the few that are included are quite small, and black-and-white! This could have been a much better book with color photos. 21 of 24 people found the following review helpful. Help in enjoying our Pacific coast lineBy Sheri Lee StritofThis book has up to date, factual, interesting and on target information about the Oregon and Washington coast lines. The chapters each describe a community and its weather, events, attractions, lodging, restaurants, and more. If you are thinking about exploring the coastal areas of the Pacific northwest, make sure you have this volume with you.

Packed with information, this guide to driving the coast road between Oregon and Washington reveals good quality accommodation, the best white sand beaches, excellent eating-out locations and cultural attractions.

From the Back CoverThe best way to see the Northwest's spectacular coastline is to drive with this book beside you. Driving the Pacific Coast describes thirty-five communities along route 101, from the southern coast of Oregon to the northern coast of Washington. Find out where to eat, stay, and shop as well as what to see and do in each locale. Tour the entire 700-mile route or simply visit one of these splendid destinations. You will discover a treasure of agates, jasper, and petrified wood washed up along the shore of Bullards Beach in Bandon, Oregon. Some of the best clam beds on the coast - perfect for digging an assortment of delicious bay clams - in Coos Bay, Oregon. Cape Disappointment Light, Washington's oldest and highest light, looming 220 feet above the water. Olympic National Park's 900,000 acres of mountains, meadows, forests, rivers, and rugged Pacific coastline in Port Angeles, Washington. The Victorian charm of old brick buildings, stately mansions, antiques shops, and taverns in Port Townsend, Washington. The guide contains information on top-notch accommodations, oceanside camping, to-die-for restaurants, unique shopping, museums, beaches, fishing, golf, festivals and more.
