**From Globe Pequot : Driving the Pacific Coast Oregon Washington, 5th: Scenic Driving Tours along Coastal Highways (Scenic Routes Byways)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Driving the Pacific Coast Oregon Washington, 5th: Scenic Driving Tours along Coastal Highways (Scenic Routes Byways):

5 of 5 people found the following review helpful. Just enough info to give an overview of many towns along the way. By L Warnecke This book was very helpful in planning a Pacific Coast drive that a friend and I will be doing. There are many great places to stop along Hwy 101, but most people can't do them all. So, this helped us narrow down what we think will be the "must see" places along the way. The additional info on food, lodging, events, etc. that is available in each area will likely be useful along the way. A mini-map (say, 11 x 17) pull-out or insert would be a nice addition, so one could refer to the "big picture" while making plans or as an overview along the way. 1 of 1 people found the following review helpful. Five Stars By Picture Nel Best little, easy to use tour book I have ever got...excellent. 1 of 2 people found the following review helpful. Outdated Book By Deborah Outdated book with very general information. Did not suit my purpose.

The best way for readers to see the Northwest's spectacular coastline is to drive with this book beside them. A virtual encyclopedia of destinations, *Driving the Pacific Coast Oregon and Washington* describes 35 coastal communities along Route 101, from the southern border of Oregon to the northern border of Washington state. Included are recommendations for top-notch accommodations, oceanside camping, exceptional restaurants, unique shopping, cultural museums and attractions, white-sand beaches, memorable fishing stops, challenging golf courses, and annual festivals--700 miles' worth of great vacation memories.

"The best way to traverse Highway 101 is in your car with a copy of the 4th edition of [this guide]."--Western RV News
