From Berlitz Publishing : Dublin Berlitz Single Pocket Map (Berlitz Pocket Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dublin Berlitz Single Pocket Map (Berlitz Pocket Map):

This pocket map is a small Berlitz travel guide with a pop up map, a guide to the top 10 sights, including: Temple Bar--Dublin's cultural center, and Phoenix Park--a historic landscape of international importance and one of the largest designed landscapes in any European city. The park was originally established as a Royal deer park in the 17th century. This pocket map will be easy to carry with you when you're sight-seeing in Dublin.
