Jeff Towns : Dylan Thomas: The Pubs before purchasing it in order to gage whether or not it would be worth my time, and all praised Dylan Thomas: The Pubs:

2 of 2 people found the following review helpful. A pub crawl, with meaning.By George T. DempseyAltogether -- the photos, drawings, text, and the work put into making it all something we all haven't just read before -- this is a lovely book.

A pictorial tour of some of the pubs Dylan Thomas attended in Swansea, West Wales, Oxford, London, and the USA. This book will put Dylan Thomas's love of public houses and liking of drink into its proper perspective. The book also looks at how the events that happened to him in and around pubs are reflected in his famous works.

Thomas fans will love this book. The color illustrations of the pubs by Wyn Thomas greatly add to its appeal. -- Library Journal
