2 of 2 people found the following review helpful. EASTERN GREAT LAKES LIGHTHOUSESBy A CustomerThe photography is beautiful and the stories well written and informative. Directions to lighthouses are pretty good. I was disappointed that every light was not included. They actually only cover selected lighthouses. I have since found a real good book that covers all lighthouses in the eastern Great Lakes.0 of 0 people found the following review helpful. Great informative bookBy Susan R. Van HollanFilled with information for the curious and the knowledgeable. Entices one to travel and discover!3 of 3 people found the following review helpful. These books are good for finding the

lights that are in themBy purplebubbaThere are directions and other info for finding and visiting lighthouses. They do not always show all lights for a given area. The photos are all color. I own 3 of these books. There are not many other guide books out there so if you are looking for guide books these are good to have. Since there are so many books in this series I thought I'd help people find them easier. This is the series.~~~~~American LighthousesCalifornia LighthousesEastern Great Lakes Lighthouses - I own this oneWestern Great Lakes Lighthouses - I own this oneSoutheastern Lighthouses - I own this oneSouthern LighthousesNew England LighthousesMid Atlantic LighthousesGulf Coast Lighthouses
