James Kavanagh, Waterford Press : Eastern Seashore Life: A Folding Pocket Guide to Familiar Plants Animals (A Pocket Naturalist Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Eastern Seashore Life: A Folding Pocket Guide to Familiar Plants Animals (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. great little handbook By OhNoBills Great images to identify birds with. Relatively thin and water resistant, making it easy to carry when out in the "wilds". 0 of 0 people found the following review helpful. Happy By steve dodge Very satisfied with this item, exactly as described. 0 of 0 people found the following review helpful. Five Stars By Kathie H. great chart

Stretching from Rhode Island to Georgia, the eastern coastline encompasses a variety of diverse habitats that are home to thousands of species of plants and animals. This beautifully illustrated guide highlights over 140 familiar and unique species of birds, mammals, nearshore fishes, seashore creatures, seashells and plants. It also includes a map featuring prominent wildlife-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an ideal source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

From the Back Cover Eastern Seashore Life, An Introduction to Familiar Species, is a must-have, reference guide for beginners and experts alike. Whether you're hiking along the coast, relaxing at the beach, or cruising along the shoreline, you'll want to take along a copy of this indispensable guide. The Pocket Naturalist(tm) series is an introduction to common plants and animals and natural phenomena. Each pocket-sized, folding guide highlights up to 150 species and most feature a map identifying prominent sanctuaries and outstanding natural attractions. Each is laminated for durability. About the Author Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution. With 650+ titles in print and 6.5 million copies sold, Waterford Press publishes the largest line of folding-format reference guides in the industry. Our mission is to connect people to the natural world by making knowledge about wildlife identification, outdoor recreation, travel, and safety and survival skills accessible to a wide audience.
