Typical, well produced area maps. Good legibility and content organization. In a world of GPS, many see little reason for paper maps. These are still beautiful and functional.

Helped immensely on my Maine trip. Rand has been making maps forever, and this is a great example of the quality of their maps. If you need a map of Maine, get this one.

Used this map for our 2-week Maine road trip. Have a GPS, but real maps are very essential. Having the map and GPS made navigating simpler. The GPS alone is not enough. But then, I am old school.
