2 of 2 people found the following review helpful. I love paper maps
By David Mellor
Typical, well produced area maps. Good legibility and content organization. In a world of GPS, many see little reason for paper maps. These are still beautiful and functional.

By Nancy R.
We still love to have a hard copy of a map in our hands when we're on vacation. It's fun to look around and find places we might not have realized were nearby and worth a stop.
5 of 5 people found the following review helpful. It's a map =)
