I am very pleased with my purchase and I will definitely buy from this seller again. 3 of 3 people found the following review helpful. Great map By Reader and Although we use the GPS, it is always nice to have a map as well so that you can locate rest stops, scenic routes, where might be a good place to stop for dinner, etc. We took a 4000 mile trip and I still think Rand McNally makes the best maps hands down. 0 of 0 people found the following review helpful.
